

# In Case of IT/DATA Security Incident:

Does this incident involve sensitive data or other information that your agency has classified as critical and/or confidential?

Have you alerted your manager/supervisor, as well as your agency's incident response coordinator?

Is contacting law enforcement necessary?

Do you need additional technical expertise to address the situation?

## Report the Incident!

Call the Ohio Customer Service & Security Center at 1-800-644-0701 or 614-644-0701

Indicate that you are reporting an incident by stating:

**"I have a Security Incident to Report!"**
